From the Desk of Chairman

Dear Members,

It gives me great pleasure in extending heartiest welcome at the 101 st Annual General Meeting of the company being held in virtual form on the 2 nd July 2024 at registered office of company at Willingdon Island, Kochi Kerala.

The Tea Plantation sector in Kerala continues to suffer from high cost of production and lower price realization. The current wages rates in Kerala is Rs. 482/- per day, plus statutory cash benefits of EPF, Bonus, Leave with wages, and Gratuity which work out to about 40% and free housing, water supply, medical benefits and weather protective's resulting in to a total cost of approx. Rs. 750/- per day plus incentives to the company. On the other hand major producing states of Assam and North Bengal which account over 75% of country's production, the total wages work out to about Rs. 350/- per day. The Kerala plantations also suffer due to lower availability/affordability of workers, resulting into longer plucking rounds, lower leaf standard and lower prices.

Your company has during the financial year under review produced 10,32,091 kgs made Tea vis a vis 9,58,917 kgs for previous year. The company has produced 4,19,945 kgs of Green Coffee Cherries vis a vis 2,71,257 kgs for previous year and black Pepper Green form 24.205 kgs vis a vis 34.417 kgs previous year. The company has suffered an operational loss of Rs. 380.67 lakh vis a vis Rs. 497.96 lakh for previous year.

During the year under review the company after obtaining required permission under Kerala Land Reforms Act disposed off 53.91 acres of non cultivated Cardamom registered land at Koinnakkad Division of Semmni Valley Estate which has resulted into an excepted profit of Rs. 601.97 lakh. The net profit for the year after considering exceptional income has results to Rs. 221.29 lakh.

The accumulated loss of company on date is approx. Rs. 2033 lakh which has resulted into unpaid statutory and operational liabilities. Management has decided to raise resources by harvesting the planted Teak Timber reserve and also dispose off further non cultivated land after obtaining due permission, which will help company pay its liability and also reduce the borrowing and overall cost.

The entire plantations sector is facing challenge from climate change. Kerala is facing unprecedented heat wave and Government restricted working between 12 noon to 3 Pm since 17 th Feb. 24 and same is still continuing. The first quarter of April-June 24 is traditionally among high cropping period known as First Rush. However due to almost total absence of pre Monsoon showers, the months of April and May 24 are witnessing low crops which will have a major impact of total crop for the year.

The current year is therefore challenging and the company has been keeping all workers, trade unions, state Govt., Central Govt., Tea Board and all stake holders fully informed and requesting for their total support and understanding. I am scare, with total support of every one and butter climates and market conditions during the rest of year the situation will improve.

I thank you very much for joining us all and look forward to your continued support and guidance. Best Wishes.

Yours Sincerely,

Vinod Kumar Dugar CHAIRMAN

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the profitand total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

- (a) "Other Comprehensive Income" and "Net Defined Benefit Liability" (Gratuity Liability) have been accounted on the basis of the Actuarial Valuation Report issued by approved valuers which is based on actuarial assumptions at the valuation date (Refer Note 38)
- (b) Other current liabilities include substantial amount of overdue statutory and other dues mainly GST, Provident fund contribution, disputed provident fund, superannuation contribution trust, gratuity to retired employees, gratuity liability, TDS payment, etc. Interest/penalty payable, if any, cannot be determined and no provision for liabilities has been made.

Our opinion is not modified in respect of this matter.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could

reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. Wealso:

- · Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- · Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure "B" to the Independent Auditor's Report

(Referred to in paragraph 1(f) under the 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Haileyburia Tea Estates Limited of even date on the accounts for the year ended 31st March 2024)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over the financial reporting of Haileyburia Tea Estates Limited ("the Company") as of March 31, 2024, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over the financial reporting of the Company basedon our audit. We conducted our audit by the <u>Guidance Note on Audit of Internal Financial Controls Over Financial Reporting</u> (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

purposes by generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only by authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting, and such internal financial controls overfinancial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2.4 Use of judgements and estimates

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

3. MATERIAL ACCOUNTING POLICY INFORMATION

3.1 Property, Plant and Equipment and Depreciation:

Property, Plant and Equipment except land are recognised as per Cost model that is assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Land has been recognised under revaluation model that is revalued amount less subsequent impairment losses. Expenditure

on development and new planting are capitalized under Bearer Plants and depreciated from the date when they are ready for commercial harvest

On transition to Ind As, the Company has elected to continue with the carrying value of all its property, plant and equipment as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

Depreciation on Property, Plant & Equipement has been provided based on the useful life of the assets prescribed in Part C of Schedule II of the Companies Act, 2013 after retaining 5% of the original cost as residual value on written down value method. In the case of depreciable assets which were revalued, the depreciation is provided including for the revalued amount . The revaluation reserve is transfered to General Reserve at the time of retirement/disposal of the revalued asset. The depreciation method applied, residual value of asset and useful life of an asset are reviewed at each financial year end. Depreciation on assets purchased/sold during the year is proportionatley charged.

Useful life of bearer plants-tea has been considered on the basis of technical evaluation at 50 years and are depreciated from the date when they are ready for commercial harvest

The Management had made an effort to identity components having significant cost to the total cost of the asset and is having different useful life than that of the whole of the asset. Based on a technical evluation no components having these characteristicts had been identified, which is having a meterial impact on the measurement of depreciation.

The estimated useful lives of tangible and intangibles are:

| Type of asset | Method | Useful lives |
|------------------------|--------------------|--------------|
| Building | Written down value | 30 years |
| Plant and equipments | Written down value | 15 years |
